1. *Alaska:* Unmarried dependent children covered to age 19. Unmarried dependent students covered to age 25.
2. The listed network percentages represent the portion of United Concordia's maximum allowable charges (MACs) for which the plan will be responsible. Network providers agree to accept United Concordia's MAC for covered services as payment in full and also agree to file claims for you. If you or your family members receive services from a non-network provider, United Concordia will apply the percentages shown to United Concordia's MAC for covered services and you will be responsible for the difference, up to the provider's charge. United Concordia's standard exclusions and limitations apply.
