DEFINITIONS

Certain terms used throughout this Certificate begin with capital letters. When these terms are capitalized, use the following definitions to understand their meanings as they pertain to Your benefits and the way the dental plan works.

Certificate Holder(s) - An individual who has enrolled him/herself and his/her Dependents for dental coverage and for whom Premium payments are due and payable. Also referred to as "You" or "Your" or "Yourself".

Certificate of Insurance ("Certificate") - This document, including riders, schedules, addenda and/or endorsements, if any, which describes the coverage purchased from the Company by the Policyholder.

Coinsurance - Those remaining percentages or dollar amounts of the Maximum Allowable Charge for a Covered Service that are the responsibility of either the Certificate Holder or his/her enrolled Dependents after the Plan pays the percentages or dollar amounts shown on the Schedule of Benefits for a Covered Service.

Company - United Concordia, the insurer. Also referred to as "We", "Our" or "Us".

Coordination of Benefits ("COB") - A method of determining benefits for Covered Services when the Member is covered under more than one plan to prevent duplication of payment so that no more than the incurred expense is paid.

Cosmetic - Those procedures which are undertaken primarily to improve or otherwise modify the Member's appearance.

Covered Service(s) - A service or supply specified in this Certificate and the Schedule of Benefits for which benefits will be covered subject to the Schedule of Exclusions and Limitations, when rendered by a dentist, or any other duly licensed dental practitioner under the scope of the individual's license when state law requires independent reimbursement of such practitioners.

Deductible(s) - A specified amount of expenses set forth in the Schedule of Benefits for Covered Services that must be paid by the Member before the Company will pay any benefit.

Dentally Necessary - A dental service or procedure is determined by a dentist to either establish or maintain a patient's dental health based on the professional diagnostic judgment of the dentist and the prevailing standards of care in the professional community. The determination will be made by the dentist in accordance with guidelines established by the Company. When there is a conflict of opinion between the dentist and the Company on whether or not a dental service or procedure is Dentally Necessary, the opinion of the Company will be final.

Dependent(s) - Certificate Holder's spouse or domestic life partner as defined by the Policyholder and/or state law and any unmarried child or stepchild of a Certificate Holder or unmarried member of the Certificate Holder's household resulting from a court order or placement by an administrative agency, enrolled in the Plan:

- (a) until the end of the month which he/she reaches age 19; or
- (b) until the end of the month which he/she reaches age 25 if he/she is a full-time student at an accredited educational institution and chiefly reliant upon the Certificate Holder for maintenance and support; or
- (c) to any age if he/she is and continues to be both incapable of self-sustaining employment by reason of mental or physical handicap and chiefly dependent upon the Certificate Holder for maintenance and support.

Effective Date - The date on which the Group Policy begins or coverage of enrolled Members begins.

Exclusion(s) - Services, supplies or charges that are not covered under the Group Policy as stated in the Schedule of Exclusions and Limitations.

Experimental or Investigative - The use of any treatment, procedure, facility, equipment, drug, or drug usage device or supply which the Company, determines is not acceptable standard dental treatment of the condition being treated, or any such items requiring federal or other governmental agency approval which was not granted at the time the services were rendered. The Company will rely on the advice of the general dental community including, but not limited to dental consultants, dental journals and/or governmental regulations, to make this determination.

Grace Period - A period of no less than 31 days after Premium payment is due under the Policy, in which the Policyholder may make such payment and during which the protection of the Group Policy continues, subject to payment of Premium by the end of the Grace Period.

Group Policy - The agreement between the Company and the Policyholder, under which the Certificate Holder is eligible to enroll.

Limitation(s) - The maximum frequency or age limit applied to a Covered Service set forth in the Schedule of Exclusions and Limitations incorporated by reference into this Certificate.

Maximum(s) - The greatest amount the Company is obligated to pay for all Covered Services rendered during a specified period as shown on the Schedule of Benefits.

Maximum Allowable Charge - The maximum amount the Plan will allow for a specific Covered Service. Maximum Allowable Charges may vary depending upon the contract between the Company and the particular Participating Dentist rendering the service. Depending upon the Plan purchased by the Policyholder, Maximum Allowable Charges for Covered Services rendered by Non-Participating Dentists may be the same or higher than such charges for Covered Services rendered by Participating Dentists in order to help limit out-of-pocket costs of Members choosing Non-Participating Dentists.

Member(s) - Certificate Holder(s) and their Dependent(s).

Non-Participating Dentist - A dentist who has not signed a contract with the Company or an affiliate of the Company.

Participating Dentist - A dentist who has executed a Participating Dentist Agreement with the Company or an affiliate of the Company, under which he/she agrees to accept the Company's Maximum Allowable Charges as payment in full for Covered Services.

Plan - Dental benefits pursuant to this Certificate and attached Schedule of Exclusions and Limitations and Schedule of Benefits.

Policyholder - Organization that executes the Group Policy. Also referred to as "Your Group".

Premium - Payment that the Policyholder must remit to the Company in exchange for coverage of the Policyholder's Members.

Renewal Date - The date on which the Group Policy renews. Also known as anniversary date.

Schedule of Benefits - Attached summary of Covered Services, Plan payment percentages, Deductibles, Waiting Periods and Maximums applicable to benefits payable under the Plan.

Schedule of Exclusions and Limitations - Attached list of Exclusions and Limitations applicable to benefits, services, supplies or charges under the Plan.

State Law Provisions Addendum - Attached document containing specific provisions required by state law to be modified, deleted from, and/or added to the Certificate of Insurance.

Termination Date - The date on which the dental coverage ends for a Member or the Group Policy terminates.

Waiting Period(s) - A period of time a Member must be enrolled under the Group Policy before benefits will be paid for Covered Services as shown on the attached Schedule of Benefits.

ELIGIBILITY AND ENROLLMENT -- WHEN COVERAGE BEGINS

New Enrollment

If You have already satisfied Your Group's eligibility requirements when the Group Policy begins and Your enrollment information is supplied to Us, Your coverage and Your Dependents' coverage will begin on the Effective Date of the Group Policy provided We receive the Premium.

If You join the Group or become employed after the initial Effective Date of the Group Policy, in order to be eligible to enroll, You must first satisfy any eligibility requirements of Your Group. Your Group will inform You of these requirements.

You must supply the required enrollment information on Yourself and Your Dependents within 31 days of the date You meet these requirements. Your Dependents must also meet the requirements detailed in the definition of Dependent in the Definitions section of this Certificate.

Your coverage and Your Dependents' coverage will begin on the date specified in the enrollment information supplied to Us provided Premium is paid.

The Company is not liable to pay benefits for any services started prior to a Member's Effective Date of coverage. Multi-visit procedures are considered "started" when the teeth are irrevocably altered. For example, for crowns, bridges and dentures, the procedure is started when the teeth are prepared and impressions are taken. For root canals, the procedure is started when the tooth is opened and pulp is removed. Procedures started prior to the Member's Effective Date are the liability of the Member or a prior insurance carrier.

Enrollment Changes

After Your initial enrollment, there are certain life change events that permit You to add Dependents. These events are:

- birth
- adoption
- court order of placement or custody
- change in student status for a child
- marriage.

To enroll a new Dependent as a result of one of these events, You must notify Your Group and supply the required enrollment change information within 31 days of the date You acquired the Dependent. The Dependent must meet the requirements detailed in the definition of Dependent in the Definitions section of this Certificate.

Except for newly born or adoptive children, coverage for the new Dependent will begin on the date specified in the enrollment information provided to Us as long as the Premium is paid.

Newly born children of a Member will be considered enrolled from the moment of birth. Adoptive children will be considered enrolled from the date of adoption or placement, except for those adopted or placed within 31 days of birth who will be considered enrolled Dependents from the moment of birth. In order for coverage of newly born or adoptive children to continue beyond the first 31 day period, the child's enrollment information must be provided to Us and the required Premium must be paid within the 31 day period.

For an enrolled Dependent child who is a full-time student, evidence of his/her student status and reliance on You for maintenance and support must be furnished to Us within 30 days after said Dependent attains the limiting age shown in the definition of Dependent. Such evidence will be requested annually thereafter until the Dependent reaches the limiting age for students and his/her coverage ends.

For an enrolled Dependent child who is mentally or physically handicapped, evidence of his/her reliance on You for maintenance and support due to his/her condition must also be supplied to Us within 30 days after said Dependent attains the limiting age shown in the definition of Dependent. If the Dependent is a full-time student at an accredited educational institution, the evidence must be provided within 30 days after the Dependent attains the limiting age for students. Such evidence will be requested based on information provided by the Member's physician but no more frequently than annually.

Dependent coverage may only be terminated when certain life change events occur including death, divorce or reaching the limiting age or during open enrollment periods.

Late Enrollment

If You or Your Dependents are not enrolled within 31 days of initial eligibility or a life change event, You or Your Dependents cannot enroll until the next open enrollment period conducted for Your Group or unless otherwise specified in any applicable Late Entrant Rider to the Certificate of Insurance. If You are required to provide coverage for a Dependent child pursuant to a court order, You will be permitted to enroll the Dependent child without regard to enrollment season restrictions.

HOW THE DENTAL PLAN WORKS

Choice of Provider

You may choose any licensed dentist for services. However, Your out-of-pocket costs will vary depending upon whether or not Your dentist participates with United Concordia. If You choose a Participating Dentist, You may limit Your out-of-pocket cost. Participating Dentists agree by contract to accept Maximum Allowable Charges as payment in full for Covered Services. Participating dentists also complete and send claims directly to Us for processing. To find a Participating Dentist, visit *Find a Dentist* on Our website at www.unitedconcordia.com or call Our Interactive Voice Response System at the toll-free number in the Introduction section of this Certificate.

If You go to a dentist who is not a United Concordia Participating Dentist, You may have to pay the dentist at the time of service, complete and submit Your own claims and wait for Us to reimburse You. You will be responsible for the dentist's full charge which may result in higher out-of-pocket costs for You.

When You visit the dental office, let Your dentist know that You are covered under a United Concordia program and give the dental office Your contract ID number and group number. If Your dentist has questions about Your eligibility or benefits, instruct the office to call Our Interactive Voice Response System at the toll-free number in the Introduction section of this Certificate or visit *My Patients' Benefits* on Our website at www.unitedconcordia.com.

Claims Submission

Upon completion of treatment, the services performed must be reported to Us in order for You to receive benefits. This is done through submission of a paper claim or electronically. Participating Dentists will report services to Us directly for You and Your Dependents.

Most dental offices submit claims or report services for patients. However, if You do not receive treatment from a Participating Dentist, You may have to complete and send claims to Us in the event the dental office will not do this for You. To obtain a claim form, visit the Members link on our website at www.unitedconcordia.com. Be sure to include on the claim:

- the patient's name
- date of birth
- Your contract ID number
- patient's relationship to You
- Your name and address
- the name and policy number of a second insurer if the patient is covered by another dental plan.

Your dentist should complete the treatment and provider information or supply an itemized receipt for You to attach to the claim form. Send the claim form or predetermination to the address in the Introduction section of this Certificate.

For orthodontic treatment, if covered under the Plan, an explanation of the planned treatment must be submitted to Us. Upon review of the information, We will notify You and Your dentist of the reimbursement schedule, frequency of payment over the course of the treatment, and Your share of the cost.

Should You have any questions concerning Your coverage, eligibility or a specific claim, contact Us at the address and telephone number in the Introduction section of this Certificate or log onto *My Dental Benefits* at www.unitedconcordia.com.

Predetermination

A predetermination is a review in advance of treatment by Us to determine patient eligibility and coverage for planned services. Predetermination is not required to receive a benefit for any service under the Plan. However, it is recommended for extensive, more costly treatment such as crowns and bridges. A predetermination gives You and Your dentist an estimate of Your coverage and how much Your share of the cost will be for the treatment being considered.

To have services predetermined, You or Your dentist should submit a claim showing the planned procedures but leaving out the dates of services. Be sure to sign the predetermination request. Substantiating material such as radiographs and periodontal charting may be requested by Us to estimate benefits and coverage. We will determine benefits payable, taking into account Exclusions and Limitations including alternate treatment options based upon the provisions of the Plan. We will notify you of the estimated benefits.

When the services are performed, simply have Your dentist call Our Interactive Voice Response System at the telephone number in the Introduction section of this Certificate, or fill in the dates of service for the completed procedures on the predetermination notification and re-submit it to Us for processing. Any predetermination amount estimated is subject to continued eligibility of the patient. We may also make adjustments at the time of final payment to correct any mathematical errors, apply coordination of benefits, and comply with Your Plan in effect and remaining program Maximum dollars on the date of service.

BENEFITS

Schedule of Benefits

Your benefits are shown on the attached Schedule of Benefits. The Schedule of Benefits shows:

- the classes and groupings of dental services covered, shown with a "Plan Pays" percentage greater than "0%".
- the percentage of the Maximum Allowable Charges the Plan will pay.
- any Waiting Periods that must be satisfied for particular services before the Plan will pay benefits. Waiting Periods are measured from date of enrollment in the Plan.

- any Deductibles You and/or Your family must pay before any benefits for Covered Services will be paid by the Plan, and the Covered Services for which there is no deductible. The Deductible is applied only to expenses for Covered Services and on either a calendar year or contract year basis (yearly period beginning with the Effective Date of the Group Policy).
- any Maximums for Covered Services for a given period of time; for example, annual for most services and lifetime for orthodontics. Annual Maximums are applied on either a calendar or contract year basis.

Your Out-of-Pocket Costs

In order to keep the Plan affordable for You and Your Group, the Plan includes certain cost-sharing features. If the class or service grouping is not covered under the Plan, the Schedule of Benefits will indicate either “not covered” or “Plan Pays -- 0%”. You will be responsible to pay Your dentist the full charge for these uncovered services.

Classes or service groupings shown with “Plan Pays” percentages greater than 0% but less than 100% require you to pay a portion of the cost for the Covered Service. For example, if the Plan pays 80%, Your share or Coinsurance is 20% of the Maximum Allowable Charge. You are also responsible to pay any Deductibles, charges exceeding the Plan Maximums or charges for Covered Services performed before satisfaction of any applicable Waiting Periods.

Services

The general descriptions below explain the services on the Schedule of Benefits. The descriptions are not all-inclusive – they include only the most common dental procedures in a class or service grouping. Specific dental procedures may be shifted among groupings or classes or may not be covered depending on Your Group’s choice of Plan. Check the Schedule of Benefits attached to this Certificate to see which groupings are covered (“Plan Pays percentage greater than “0%”). Also, have Your provider call Us to verify coverage of specific dental procedures or log on to *My Dental Benefits* or *My Patients’ Benefits* at www.unitedconcordia.com to check coverage. Services covered on the Schedule of Benefits are also subject to Exclusions and Limitations. Be sure to review the Schedule of Exclusions and Limitations also attached to this Certificate.

Exclusions and Limitations

Services indicated as covered on the Schedule of Benefits are subject to frequency or age Limitations detailed on the attached Schedule of Exclusions and Limitations. The existence of a Limitation on the Schedule of Exclusions and Limitations does not mean the service is covered under the Plan. Before reviewing the Limitations, You must first check the Schedule of Benefits to see which services are covered. No benefits will be provided for services, supplies or charges detailed under the Exclusions on the Schedule of Exclusions and Limitations.

Payment of Benefits

If You have treatment performed by a Participating Dentist, We will pay covered benefits directly to the Participating Dentist. Both You and the dentist will be notified of benefits covered, Plan payment and any amounts You owe for Coinsurance, Deductibles, charges exceeding Maximums or charges for services not covered. Payment will be based on the Maximum Allowable Charge the treating Participating Dentist has contracted to accept.

If You receive treatment from a Non-Participating Dentist, We will send payment for covered benefits to You unless You indicate on the claim that You wish payment to be sent directly to Your treating dentist. You will be notified of the services covered, Plan payment and any amounts You owe for Coinsurance, Deductibles, charges exceeding Maximums or charges for services not covered. The Plan payment will be based on the Maximum Allowable Charges for the services. You will be responsible to pay the dentist any difference between the Plan's payment and the dentist's full charge for the services.

The Company does not disclose claim or eligibility records except as allowed or required by law and then in accordance with federal and state law. The Company maintains physical, electronic, and procedural safeguards to guard claims and eligibility information from unauthorized access, use, and disclosure.

Overpayments

When We make an overpayment for benefits, We have the right to recover the overpayment either from You, from the person to whom it was paid, or from the dentist to whom the payment was made on behalf of the Member. We will recover the overpayment either by requesting a refund or offsetting the amount overpaid from future claim payments. Recovery will be done in accordance with any applicable state laws or regulations.

Coordination of Benefits (COB)

If You or Your Dependents are covered by any other dental plan and receive a service covered by this Plan and the other dental plan, benefits will be coordinated. This means that one plan will be primary and determine its benefits before those of the other plan and without considering the other plan's benefits. The other plan will be secondary and determine its benefits after the primary plan. The secondary plan's benefits may be reduced because of the primary plan's payment. Each plan will provide only that portion of its benefit that is required to cover expenses. This prevents duplicate payments and overpayments. Upon determination of primary or secondary liability, this Plan will determine payment.

1. The following words and phrases regarding the Coordination of Benefits ("COB") provision are defined as set forth below:
 - A) **Allowable Amount** is the Plan's allowance for items of expense, when the care is covered at least in part by one or more Plans covering the Member for whom the claim is made.
 - B) **Claim Determination Period** means a benefit year. However, it does not include any part of a year during which a person has no coverage under this Plan.

- C) **Other Dental Plan** is any form of coverage which is separate from this Plan with which coordination is allowed. **Other Dental Plan** will be any of the following which provides dental benefits, or services, for the following: Group insurance or group type coverage, whether insured or uninsured. It also includes coverage other than school accident type coverage (including grammar, high school and college student coverages) for accidents only, including athletic injury, either on a twenty-four (24) hour basis or on a "to and from school basis," or group or group type hospital indemnity benefits of \$100 per day or less.
- D) **Primary Plan** is the plan which determines its benefits first and without considering the other plan's benefits. A plan that does not include a COB provision may not take the benefits of another plan into account when it determines its benefits.
- E) **Secondary Plan** is the plan which determines its benefits after those of the other plan (Primary Plan). Benefits may be reduced because of the other plan's (Primary Plan) benefits.
- F) **Plan** means this document including all schedules and all riders thereto, providing dental care benefits to which this COB provision applies and which may be reduced as a result of the benefits of other dental plans.
2. The fair value of services provided by the Company will be considered to be the amount of benefits paid by the Company. The Company will be fully discharged from liability to the extent of such payment under this provision.
3. In order to determine which plan is primary, this Plan will use the following rules.
- A) If the other plan does not have a provision similar to this one, then that plan will be primary.
- B) If both plans have COB provisions, the plan covering the Member as a primary insured is determined before those of the plan which covers the person as a Dependent.
- C) Dependent Child/Parents Not Separated or Divorced -- The rules for the order of benefits for a Dependent child when the parents are not separated or divorced are:
- 1) The benefits of the plan of the parent whose birthday falls earlier in a year are determined before those of the plan of the parent whose birthday falls later in that year;
 - 2) If both parents have the same birthday, the benefits of the plan which covered the parent longer are determined before those of the plan which covered the other parent for a shorter period of time;
 - 3) The word "birthday" refers only to month and day in a calendar year, not the year in which the person was born;
 - 4) If the other plan does not follow the birthday rule, but instead has a rule based upon the gender of the parent; and if, as a result, the plans do not agree on the order of benefits, the rule based upon the gender of the parent will determine the order of benefits.
- D) Dependent Child/Separated or Divorced Parents -- If two or more plans cover a person as Dependent child of divorced or separated parents, benefits for the child are determined in this order:
- 1) First, the plan of the parent with custody of the child.
 - 2) Then, the plan of the spouse of the parent with the custody of the child; and
 - 3) Finally, the plan of the parent not having custody of the child.
 - 4) If the specific terms of a court decree state that one of the parents is responsible for the dental care expenses of the child, and the entity obligated to pay or provide the benefits of the plan of that parent has actual knowledge of those terms, the benefits of that plan are determined first. The plan of the other parent will be the Secondary Plan.
 - 5) If the specific terms of the court decree state that the parents will share joint custody, without stating that one of the parents is responsible for the dental care expenses of the child, the plans covering the child will follow the order of benefit determination rules outlined in Section 3-C) above, titled Dependent Child/Parents Not Separated or Divorced.
- E) Active/Inactive Member
- 1) For actively employed Members and their spouses over the age of 65 who are covered by Medicare, the plan will be primary.
 - 2) When one contract is a retirement plan and the other is an active plan, the active plan is primary. When two retirement plans are involved, the one in effect for the longest time is primary. If another contract does not have this rule, then this rule will be ignored.
- F) If none of these rules apply, then the contract which has continuously covered the Member for a longer period of time will be primary.

- G) The plan covering an individual as a COBRA continuee will be secondary to a plan covering that individual as a Member or a Dependent.
4. Right to Receive and Release Needed Information -- Certain facts are needed to apply these COB rules. The Company has the right to decide which facts it needs. It may get needed facts from or give them to any other organization or person. Any health information furnished to a third party will be released in accordance with federal law. Each person claiming benefits under This Plan must give any facts needed to pay the claim.
 5. Facility of Payment -- A payment made under another plan may include an amount which should have been paid under this Plan. If it does, the Company may pay the amount to the organization which made that payment. That amount will then be treated as though it were a benefit paid under This Plan, and the Company will not pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case "payment made" means reasonable cash value of the services prepaid by the Company.
 6. Right of Recovery -- If the payment made by the Company is more than it should have paid under this COB provision, the Company may recover the excess from one or more of the following: (1) persons it has paid or for whom it has paid; or (2) insurance companies; or (3) other organization. Members are required to assist the Company to implement this section.

Workers' Compensation

When a Member is eligible for Workers' Compensation benefits through employment, the cost of dental treatment for an injury which arises out of and in the course of Member's employment is not a covered benefit under this Plan. Therefore, if the Company pays benefits which are covered by a Workers' Compensation policy, the Company has the right to obtain reimbursement for those benefits paid. The Member must provide any assistance necessary, including furnishing information and signing necessary documents, for the Company to receive the reimbursement.

Review of a Benefit Determination

If You are not satisfied with the Plan's benefit, please contact Our Customer Service Department at the toll-free telephone number in the Introduction section of this Certificate. If, after speaking with a Customer Service representative, You are still dissatisfied, refer to the Appeal Procedure Addendum attached to this Certificate for further steps You can take regarding Your claim.

TERMINATION -- WHEN COVERAGE ENDS

Your coverage and/or Your Dependents' coverage will end:

- on the date You lose eligibility under Your Group's eligibility requirements; or
- on the date Premium payment ceases for You and/or Your Dependents, as specified by your Group; or
- on the date Your Dependent(s) cease to meet the requirements in the definition of Dependent in the Definitions section of this Certificate;

If Your coverage or Your Dependents' coverage is terminated as described above, coverage for completion of a dental procedure requiring two or more visits on separate days will be extended for a period of 90 days after the Member's Termination Date in order for the procedure to be finished. The procedure must be started prior to the Member's Termination Date. The procedure is considered "started" when the teeth are irrevocably altered. For example, for crowns, bridges and dentures, the procedure is started when the teeth are prepared and impressions are taken. For root canals, the procedure is started when the tooth is opened and pulp is removed. For orthodontic treatment, if covered under the Plan, coverage will be extended through the end of the month of the Member's Termination Date.

If Your coverage ends, Your Dependents' coverage will end on the same date unless otherwise specified in a State Law Provisions Addendum to this Certificate. If the Group Policy is cancelled, Your coverage and Your Dependents' coverage will end on the Group Policy Termination Date.

In the event of a default in Premium payment by the Policyholder, coverage will remain in effect for the Grace Period extended for payment of the overdue Premium. If the Premium is not received by the end of the Grace Period, the Group Policy will be cancelled and coverage will terminate the first day following the end of the Grace Period.

The Company is not liable to pay any benefits for services, including those predetermined, which are performed after the Termination Date of a Member's coverage or of the Group Policy.

CONTINUATION COVERAGE

Federal law may require certain employers to offer continuation coverage to Members for a specified period of time upon termination of employment or reduction of work hours for any reason other than gross misconduct. You should contact Your employer to find out whether or not this requirement applies to You and Your employer. Your employer will advise You of Your rights to continuation coverage and the cost. If this requirement does apply, You must elect to continue coverage within 60 days from Your qualifying event or notification of rights by Your employer, whichever is later. You may elect to extend Dependent(s)' coverage, or the Dependent(s) may elect to continue coverage under certain circumstances or qualifying events. Dependent(s) must elect to continue coverage within 60 days from the event or notification of rights by Your employer, whichever is later. You must pay the required premium for continuation coverage directly to your employer. The Company is not responsible for determining who is eligible for continuation coverage.

GENERAL PROVISIONS

The failure of any section or subsection of this Certificate shall not affect the validity, legality and enforceability of the remaining sections.

Except as otherwise herein provided, this Certificate may be amended, changed or modified only in writing and thereafter attached hereto as part of this Certificate.

DEFINITIONS

The following terms when used in this document have the meanings shown below.

“Adverse benefit determination” is a denial, reduction, or termination of or failure to make payment (in whole or in part) based on a determination of eligibility to participate in a plan or the application of any utilization review; or a determination that an item or service otherwise covered is Experimental or Investigational or not Dentally Necessary or appropriate.

“Authorized representative” is a person granted authority by You and the Company to act on Your behalf regarding a claim for benefit or an appeal of an adverse benefit determination. An assignment of benefits is not a grant of authority to act on Your behalf in pursuing and appealing a benefit determination.

“Relevant” A document, record, or other information will be considered **“relevant”** to a given claim:

- a) if it was relied on in making the benefit determination;
- b) if it was submitted, considered, or generated in the course of making the benefit determination (even if the Plan did not rely on it);
- c) if it demonstrated that, in making the determination, the Plan followed its own administrative processes and safeguards for ensuring appropriate decision-making and consistency;
- d) or if it is a statement of the Plan’s policy or guidance concerning the denied benefit, without regard to whether it was relied upon in making the benefit determination.

PROCEDURE

You or Your authorized representative may file an appeal with Us within 180 days of receipt of an adverse benefit determination. To file an appeal, telephone the toll-free number listed in Your Certificate of Coverage or on Your ID card.

We will review the claim and notify You of Our decision within 60 days of the request for appeal. Any dentist advisor involved in reviewing the appeal will be different from and not in a subordinate position to the dentist advisor involved in the initial benefit determination.

Notice of the appeal decision will include the following in written or electronic form:

- a) the specific reason for the appeal decision;
- b) reference to specific plan provisions on which the decision was based;
- c) a statement that You are entitled to receive upon request and free of charge, reasonable accessibility to and copies of all relevant documents, records, and criteria including an explanation of clinical judgment on which the decision was based and identification of the dental experts;
- d) a statement of Your right to bring a civil action under ERISA; and
- e) the following statement: “You and your Plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact your local U.S. Department of Labor Office and your State insurance regulatory agency.”

OREGON STATE LAW PROVISIONS ADDENDUM
TO

Participating Dentist - A dentist and/or licensed denturist who has executed a Participating Dentist Agreement with the Company or an affiliate of the Company, under which he/she agrees to accept the Company's Maximum Allowable Charges as payment in full for Covered Services.

The following provisions are added to the "Claims Submission" subsection and the following subsection "Notice of Claims" is added to the "HOW THE DENTAL PLAN WORKS" section of the Certificate:

Claims Submission

If a Member should receive Covered Services performed by a licensed denturist, the Company shall provide reimbursement to the denturist for such Covered Services according to the Member's Schedule of Benefits.

Within 20 working days after receiving notification of the claim, the Company shall acknowledge the notification or pay the claim. Record of the acknowledgement will be kept in the Company's claim history file. The Company shall furnish an adequate response to the Commissioner within 15 days of the Company's receipt of an inquiry regarding a claim. The Company shall make an appropriate reply within 20 working days of receipt to all other pertinent communications about a claim from a claimant that reasonably indicates a response is expected.

Notice of Claim

Written notice of claim must be given to the Company within 20 days after the occurrence or after the event on which the claim is based. Notice given by or on behalf of the Member to the Company, which contains sufficient information to identify the Member, shall be deemed notice to the Company, if it was not reasonably possible to give written notice within the 20 day period.

Time of Payment of Claims

All benefits payable under this Certificate for any loss other than loss for which this Certificate provides any periodic payment will be paid immediately upon receipt of due written proof of such loss. Subject to due written proof of loss, all accrued indemnities for loss for which this policy provides periodic payment will be paid within 30 days and any balance remaining unpaid upon the termination of liability will be paid immediately upon receipt of due written proof.

The "Continuation Coverage" section is deleted and the following section, "CONTINUATION OF BENEFITS" is substituted:

A. Federal law requires offering continuation of benefits for a specified period of time for Members by direct payment by a Member of the required Premium to the Policyholder upon termination of employment or reduction of work hours for any reason other than gross misconduct.

B. The Member must elect to continue coverage within 60 days from such termination or notification, whichever is later. The Member may elect to extend Dependent(s)' coverage or the Dependent(s) may elect to continue coverage under certain circumstances. Dependent(s) must elect to continue coverage within 60 days from termination or notification, whichever is later.

C. State law requires the availability of continuation of benefits for surviving, divorced or separated spouses or domestic life partner, age 55 or older, of Certificate Holders of groups of 20 or more Certificate Holders. The surviving spouse or domestic life partner may continue coverage at the date of the Subscriber, with respect to the spouse or domestic life partner and any Dependent children including the children of the domestic life partner whose coverage the Certificate Holder otherwise would terminate because of the death of the Certificate Holder if the surviving spouse is 55 years of age or older at the time of death. The divorced or legally separated spouse or domestic life partner of a Certificate Holder and any Dependent children including the children of the domestic life partner may continue coverage upon dissolution of marriage with, or legal separate from, the Certificate Holder, if those Dependent's coverage under the Group Policy otherwise would terminate because of the dissolution of marriage or legal separation, and if the divorced or legally separated spouse or domestic life partner is 55 years of age or older at the time of dissolution or legal separation.

To obtain coverage pursuant to C of this section, the legally separated or divorced spouse or domestic life partner eligible for continued coverage who seeks such coverage shall give the Company written notice of the legal separation or dissolution. The notice shall include the mailing address of the legally separated or divorced spouse or domestic life partner. Within 30 days of the death of a Certificate Holder, the Policyholder shall give the Company written notice of the death and of the mailing address of the surviving spouse or domestic life partner. The Company shall notify (using the mailing address provided) the legally separated, divorced or surviving spouse or domestic life partner within 14 days of receipt of notice that coverage may be continued. The notice shall include:

- a) a form for election to continue the coverage;
- b) a statement of the amount of periodic Premiums to be charged for the continuation of coverage and of the method and place of payment; and

- c) instructions for returning the election form by mail within 60 days after the date of mailing of the notice by the Company.

Failure of the legally, separated, divorced or surviving spouse or domestic life partner to exercise the election in accordance with the above stipulations shall terminate the right to continuation of benefits. If the Company fails to notify the legally separated, divorced or surviving spouse or domestic life partner as required by state law, Premiums shall be waived from the date the notice was required until the date notice is received by the legally separated, divorced or surviving spouse or domestic life partner.

If a legally separated, divorced or surviving spouse or domestic life partner elects continuation of coverage:

1. The monthly Premium for the continuation shall not be greater than the amount that would be charged if the legally separated, divorced or surviving spouse or domestic life partner were a current Certificate Holder of the Policyholder plus the amount that the Policyholder would contribute toward the Premium if the legally separated, divorced or surviving spouse or domestic life partner were a Certificate Holder of the Policyholder, plus an additional amount not to exceed 2% of the Subscriber and Group contributions, for the costs of administration.
2. The 1st Premium shall be paid by the legally separated, divorced or surviving spouse or domestic life partner within 45 days of the date of the election.
3. The right to continuation of coverage shall terminate upon the earliest of any of the following:
 - a) the failure to pay Premiums when due, including any Grace Period allowed by the Company;
 - b) the date that the Policyholder is terminated as to all Certificate Holders, except that if a different Certificate is made available to Certificate Holders, the legally separated, divorced or surviving spouse or domestic life partner shall be eligible for continuation of coverage as if the original Certificate had not been terminated.
 - c) The date on which the legally separated, divorced or surviving spouse or domestic life partner becomes insured under any other group health plan;
 - d) The date on which the legally separated, divorced or surviving spouse or domestic life partner remarries and becomes covered under another group health plan; or
 - e) The date on which the legally separated, divorced or surviving spouse or domestic life partner becomes eligible for federal Medicare coverage.

D. State law requires offering continuation of benefits when the Premium or any part thereof is paid by the Policyholder as an employer under the terms of a collective bargaining agreement, and there is a cessation of work by employees insured under the Group Policy due to a strike or lockout. Upon timely payment of the Premium, coverage will continue in effect with respect to those Certificate Holders insured under the Group Policy on the date of cessation of work who continue to pay their individual contribution and who pay the contribution due from the Policyholder. When the Certificate Holder insured under the Group Policy pays a contribution pursuant to the cessation of work described above, and the Policyholder has not established a fund for the purpose of contribution to Premium, the Certificate Holder's individual contribution shall be:

1. the Premium on the date cessation of work occurs, applicable to an individual in the class to which the Certificate Holder belongs as set forth in the Group Policy; or
2. If the Group Policy does not provided for a rate applicable to individuals, an amount equal to the amount determined by dividing the total monthly Premium in effect under the Group Policy at the date of cessation of work by the total number of persons insured under the Group Policy on such date. The Certificate Holder's individual contribution shall be the amount which the Certificate Holder and Policyholder would have been required to contribute if a.) the cessation of work had not occurred; and b.) if the Policyholder had a fund established for the purpose of providing contribution to Premium pursuant to the cessation of work.

Nothing in D of this section shall be deemed to require continuation of any coverage insuring Certificate Holders for longer than:

1. the time that 75% of Certificate Holders continue such coverage;

2. for an individual Certificate Holder, the time at which the Certificate Holder takes full-time employment with another employer; or
3. 6 months after cessation of work by the Certificate Holder.

The following provision is added to the "Coordination of Benefits (COB)" subsection of the Certificate:

Coordination of Benefits (COB)

1. The following words and phrases regarding the Coordination of Benefits ("COB") provision are defined as set forth below:
 - E) **Secondary Plan** is the plan which determines its benefits after those of the other plan (Primary Plan). Benefits may be reduced because of the other plan's (Primary Plan) benefits. If the provider has contracted with the Secondary Plan to provide the benefit for a specific negotiated payment amount that is different than the Primary Plan's payment arrangement and if the provider's contract permits, the negotiated payment shall be the Allowable Amount used by the Secondary Plan to determine benefits.

The following provision is added to the "TERMINATION – WHEN COVERAGE ENDS" section of the Certificate:

We will mail written notice for nonpayment of Premium that Premium was not received to You at least 10 days prior to the end of the Grace Period. Coverage will be terminated as of the Premium due date if the Premium is not received by the end of the Grace Period. The notice will be mailed to the last-known address by first class mail.

The following provision and subsection entitled "Representations and Warranties" are added to the "GENERAL PROVISIONS" section of the Certificate:

The pertinent laws and regulations for interpretation and enforcement of the Certificate are the laws and regulations of Oregon.

Representations and Warranties

All statements made by You or Your Dependents shall in the absence of fraud be deemed representations and not warranties, and no statement made by You or Your Dependents shall be used in any contest unless a copy of the document containing the statement is or has been furnished to You or Your beneficiary, if applicable.

COORDINATION OF BENEFITS

IMPORTANT NOTICE

This is a summary of only a few of the provisions of your health plan to help you understand coordination of benefits, which can be very complicated.

This is not a complete description of all of the coordination rules and procedures, and does not change or replace the language contained in your insurance contract, which determines your benefits.

Double Coverage

It is common for family members to be covered by more than one health care plan. This happens, for example, when a husband and wife both work and choose to have family coverage through both employers.

When you are covered by more than one health plan, state law permits your insurers to follow a procedure called “coordination of benefits” to determine how much each should pay when you have a claim. The goal is to make sure that the combined payments of all plans do not add up to more than your covered health care expenses.

Coordination of benefits (COB) is complicated, and covers a wide variety of circumstances. This is only an outline of some of the most common ones. If your situation is not described, read your evidence of coverage or contact your state insurance department.

Primary or Secondary?

You will be asked to identify all the plans that cover members of your family. We need this information to determine whether we are the “primary” or “secondary” benefit payer. The primary plan always pays first when you have a claim. Any plan that does not contain your state’s COB rules will always be primary.

When This Plan is Primary

If you or a family member are covered under another plan in addition to this one, we will be primary when:

Your Own Expenses

- The claim is for your own health care expenses, unless you are covered by Medicare and both you and your spouse are retired.

Your Spouse’s Expenses

- The claim is for your spouse, who is covered by Medicare, and you are not both retired.

Your Child's Expenses

- The claim is for the health care expenses of your child who is covered by this plan and
- You are married and your birthday is earlier in the year than your spouse's or you are living with another individual, regardless of whether or not you have ever been married to that individual, and your birthday is earlier than that other individual's birthday. This is known as the "birthday rule"; or
- You are separated or divorced and you have informed us of a court decree that makes you responsible for the child's health care expenses; or
- There is no court decree, but you have custody of the child.

Other Situations

We will be primary when any other provisions of state or federal law require us to be.

How We Pay Claims When We Are Primary

When we are the primary plan, we will pay the benefits in accordance with the terms of your contract, just as if you had no other health care coverage under any other plan.

How We Pay Claims When We Are Secondary

We will be secondary whenever the rules do not require us to be primary.

How We Pay Claims When We Are Secondary

When we are the secondary plan, we do not pay until after the primary plan has paid its benefits. We will then pay part or all of the allowable expenses left unpaid, as explained below.

An "allowable expense" is a health care expense covered by one of the plans, including copayments, coinsurance and deductibles.

- If there is a difference between the amounts the plans allow, we will base our payment on the higher amount. However, if the primary plan has a contract with the provider, our combined payments will not be more than the amount called for in our contract or the amount called for in the contract of the primary plan, whichever is higher. Health maintenance organizations (HMOs) and preferred provider organizations (PPOs) usually have contracts with their providers.
- We will determine our payment by subtracting the amount the primary plan paid from the amount we would have paid if we had been primary. We may reduce our payment by any amount so that, when combined with the amount paid by the primary plan, the total benefits paid do not exceed the total allowable expense for your claim. We will credit any amount we would have paid in the absence of your other health care coverage toward our own plan deductible.
- If the primary plan covers similar kinds of health care expenses, but allows expenses that we do not cover, we may pay for those expenses.

- We will not pay an amount the primary plan did not cover because you did not follow its rules and procedures. For example, if your plan has reduced its benefit because you did not obtain pre-certification, as required by that plan, we will not pay the amount of the reduction, because it is not an allowable expense.

UNITED CONCORDIA
ADDENDUM
TO
GROUP POLICY AND CERTIFICATE OF INSURANCE

This Addendum is effective on the Effective Date as stated in the Group Policy and attached to and made part of the Group Policy and Certificate of Insurance.

The following language is added to the Group Policy and Certificate of Insurance:

The Company uses Maximum Allowable Charge schedules to determine claim payments. Payment is the lesser of the dentist's submitted charge or the Maximum Allowable Charge.

Maximum Allowable Charges for Covered Services are determined by geographical area of the dental office. The Maximum Allowable Charges in the geographical area of the dental office are used to calculate the Company's payment on claims. Maximum Allowable Charges are reviewed periodically and adjusted as appropriate to reflect increased dentist fees within the geographical areas. Participating Dentists accept their contracted Maximum Allowable Charges as payment in full for Covered Services.

FEDERAL LAW SUPPLEMENT
TO
CERTIFICATE OF INSURANCE

This Supplement amends your Certificate by adding the following provisions regarding special enrollment periods and extended coverage requirements currently mandated or that may be mandated in the future under federal law.

You may enroll for dental coverage at any time for yourself and your dependents if:

- (1) You or your dependent either loses eligibility for coverage under Medicaid or the Children's Health Insurance Program ("CHIP"); or
- (2) You or your dependent becomes eligible for premium assistance from Medicaid or CHIP allowing enrollment in a benefit program.

In order to enroll, you must submit complete enrollment information to your group or its plan administrator within sixty (60) days from your or your dependent's loss of coverage or eligibility for premium assistance, as the case may be.

Other special enrollment periods and rights may apply to you or your dependents under new or existing federal laws. Consult your group, its plan administrator or your group's summary plan description for information about any new or additional special enrollment periods, enrollment rights or extended coverage periods for dependents mandated under federal law.
